**Approval of Previous Minutes:** Tom made the motion to accept the December 2006 Meeting minutes as typed, Dan 2<sup>nd</sup>, motion passed.

**Communication Report**—Nothing to report.

**Treasures Report**—Tom handed out a report for the last month's activity (see attached). Quite a bit of activity, dues coming in for many agencies.

**Committee Reports**

**Education**—Brian reported that he is still here. He also reported that there will be two EMT classes starting with approx 45-50 new EMT's. Got a verbal commitment from a local FF/PM for spring term of EMT-P class. Looking at making all internships located in Central Oregon.

**Protocols**—Dave handed out protocols on new ACLS standards. Corrections and updates for January were passed out, electronic versions will be sent out ASAP. Ken has been looking at literature from various authors on c-spine clearing in the field. Ken and Dave will create a C-spine protocol and present it next month.

## Old Business

1. **Bylaws**—Chad spoke about quorum ideas, and legal issues that surround bylaws. Dusty will get a draft version out to everyone for review.
2. **Bluetooth**—Tom is unable to get a hold of Dr. Beatty.

## New Business

1. **Regional Refresher Course**—DHS-EMS possibly looking at going to NREMT standards in 2009. Looking at regional refresher course for EMT-B/P. Brian said he would spearhead the issue with an assist from Justin.

## Good of the Order

Department Representative Roundtable.

**Crook County Fire and Rescue**—Jim reported that two new engines will be in on Friday. Hiring one, will start on February 1<sup>st</sup>.

**COCC**—No Report.

**DCSO SAR**—Would like to see training opportunities on the website.

**CEMS**—In holding pattern, looking for sponsor, liability insurance is very prohibitive.

**WSFS**—No Report.

**Mt. Bachelor**—Busy Christmas time, horrendous weather recently.

**Sisters / Camp Sherman**—Hired two new FF/PM's, medic delivery date set back a little bit.

**La Pine Fire District**—Dan reported that the new medics are in. New snowmobiles used twice on the hill. Two new engines next month. Looking for the levy in March.

**Bound Tree Medical**—Chad reported pharmaceutical price changes. Vendor show in Salem on February 2<sup>nd</sup>. Cascade EMS Conference February 24<sup>th</sup>. CPAP for Central Oregon, prices good for short while, see Chad if your interested.

**Black Butte Ranch Fire**—Nothing new.

**Bend Fire and Rescue**—Nothing New, nice call from ALO, they recently reviewed all contracts and gave BFD a very nice check for firemed.

**Redmond Fire and Rescue**—No Report.

**Deschutes Co Emergency Management**—Table top Thursday from 1300-1700hrs at the Max Center. It will be a snow related issue. Don also would like to explore the idea of having a drill involving the railroad, that would include all agencies.

**Zoll Medical**—No Report.

**DPSST**—Steve reported that they are going to start a process to replace Era Horton. Would like to fill it by, March 1<sup>st</sup>.

**Crooked River Ranch Fire District**—Bid will go out in March to build new station.
