Communication Report—None

Treasures Report—Tom reported Steve is in the process of getting the bank statements for 2004 from US Bank. Once completed they will get together and transfer everything.

Committee Reports

Education—Mary reported they have increased the number of clinical hours for the EMT-Basic requirements from 16, to 32. The EMT-Basic students have also been riding along with Bend Fire and other agencies. Mary stated that approximately 80% of the students have a secured internship site already, internships will begin during spring break. She is in the process of reviewing the internship contracts, should be completed soon. Paramedic pediatric clinical contact hours to increase with more rotations. Fire/EMS consortium advisor meeting going well. Tom reported on clinical post card evaluation forms, they have shown great success.

Protocols—Dr. Eschelbach spoke about upcoming changes to protocols. He would like to get a committee together again to review what works and what doesn't. Dr. Wade Fox, Physician Advisor for Klamath County FD #1 would like to review ECEMS current protocols. Dave reported few small grammatical changes to protocols, discussion ensued on reviewing all protocols for changes.

CISD—No Report.

DHS-EMS—Donna reported legislative session is underway. Senate bills 106 & 372 deal primarily with EMS agencies. Bill 106 is to make mandatory required notification on elder abuse, 372 increases non compliance of reporting to a misdemeanor rather than a fine. Tim is new DHS-EMS Manager, no current Director. EMT-Intermediate scope and CE hours to possibly change.

Others—No Report.

Old Business—None.

New Business—

- A) Bill talked about the prehospital protocol for patients direct delivery to cath lab. A group discussion on possibilities for direct admit patients who are suspected of having a AMI.
- B) Jon gave a presentation on the transmission of prehospital 12-leads to receiving facility. Discussion followed regarding current system and options available to improve patient care.
- C) Tom and Dave presented the Compli group notification system.
- D) Marian Ervin spoke on behalf of the Bob Ervin Memorial Scholarship. She would like to remove the funds from COCC and place it within Jefferson County. Her proposal would have JCEMS manage funds, advertise and disperse accordingly. Mary will contact the foundation and inquire about options for removal, then report to Dave.
