Committee Reports

Education—Mary reported the last EMT-Basic exam for the year was held. 3 out of the 27 candidates failed. EMT-Paramedic students are beginning to test, reported that the test has been changed and is now very complex. Most students are still going to California due to the frequency of tests and pre-test sessions available. Selection letters for fall paramedic class have been sent out. Students finishing up ER/ICU/OB rotations. Post cards working very well. 10 fewer students to be admitted next fall. COCC still needs a winter term EMT-Basic instructor.

Protocols—No Report.

DHS-EMS—Donna reported EMT-Intermediate curriculum re-write almost completed. Will be ready for winter term. More critical thinking added to the curriculum. EMT-Intermediates will have to complete 40 hours of refresher, and take a written test to remain at the EMT-I level. My License is being worked on. It is a online data base to check references of Oregon EMT's. New carding system being discussed.

Others—No Report.

CISD—No Report

MCI—The drill will be held now at the airport with Redmond Fire and Rescue in charge. July 21st at 1330hrs MCI Drill meeting will be held.

Old Business—None.

New Business—Laverne Esselsyn of Deschutes County 911 would like to have a meeting regarding the data system. She would like to sit down and decide which areas to use and special field designation. A meeting date of July 19th 2005 at 1300hrs was set, Dusty to email out reminder to the group.
