Committee Reports

Education—Brian Bates was introduced, he is the new program director for COCC. Brian reported they are looking at a winter or spring start date for the paramedic program.

Protocols—A MS & Phenergan issue was discussed, a change will be made to the MS medication information sheet. All medications will no longer reflect a specific route, it will be up to the individual paramedic to remember accepted routes. The trauma system protocol was discussed and Dave noted that the change will be made.

MCI/MPS—Dave has a list of areas to work on, it will be gone over at the next meeting.

Old Business

1. **Website**—Jon has been working on converting all the files over to .pdf for the website.
2. **Bylaws**—The group will go over them at the November meeting.
3. **12 lead**—Jon is ready to go, it will only take a few minutes to upgrade each monitor.
4. **Diversion**—SCMC wont have a back up surgeon, will still use the treat and transfer option when busy.

New Business

Good of the Order
