

# Oregon Fire Instructors Association 2010 Conference

## APRIL 8TH, 9TH, & 10TH

### Riverhouse Convention Center - Bend, Oregon

For more information  
contact Mark Taylor, IC  
for 2010 OFIA Conference

mtaylor@ci.bend.or.us

### Training Managers Track

— The Training Manager track will provide sessions that assist Managers and Training Officers to develop both their agency's training program and their region's ability to coordinate and cooperate. The DLO conference and the OFIA Business Meeting will be in this track.

### Train the Trainer Tracks

— The Train the Trainer tracks will provide the tools necessary for attendees to return home ready to deliver the topics they attend. As an example, a sandtable session will provide a platform for delivering Tactical Decision Games. It is important to remember that sand tables can also be used to present briefings, conduct AARs, and teach topography map interpretation.

— Special Ops training will include teaching techniques in trench rescue, vehicle extrication, thermal imaging camera, a special wildland training track and a rapid intervention team track.

Lodging  
& Dining  
*The Riverhouse*
